Introduction to PatientTrak November 2022 Release.....	1
Fixes.....	2
Enhancements.....	2

Fixes

- Fixed an issue where some icons were disappeared while in the Reports page.
- Fixed an issue where the Organization dropdown menu shrank when in the Reports page.
- Corrected verbiage on the Delete Appointment Process page.
- Fixed an issue where the Type column was not sorting correctly on the Text Messaging Center.
- Fixed an issue where inactive organizations still allowed online reservations.
- Removed the hard code to allow renaming the Area column to show in the Text Messaging Center.

Enhancements

- Updated the Embed codes for Areas.
- Updated the Intake Kiosk.
- When an appointment is found on the kiosk, now only the first and last initials of the patient are shown on the kiosk.
- Added the Secure Conversation Chat feature (see your PatientTrak Account Manager for more information).
