Introduction to PatientTrak April 2023 Release.....	1
Fixes.....	2
Enhancements.....	2

Fixes

- Fixed an issue where PatientTrak was not prompting new users to change their password when signing in for the first time.
- Fixed an issue where publicscreen accounts were not being prompted to change their password when signing in for the first time.
- Read Only accounts can now only view pages and the Patient Detail page.

Enhancements

- The PatientTrak Scheduling Page now shows Alerts and all Misc. columns when activated.
- PatientTrak now offers an audit log for any Area and Activity changes. This log can be found under the Audit Activity page.
- Added a custom extract report for designated clients.
